

THE THIRD MAN THEME

(Continued from Page 1, Column 2)

have been assigned to them by the Jews, while others obediently revolve in the Left Wing orbit. The Jewish intellectual planetary system seems to be functioning well. Then suddenly something goes wrong.

The THIRD MAN has made the scene.

When the Jews contemptuously tell THE THIRD MAN to get into orbit on the Right or the Left, he spits into the Jew's face. He flings down the gauntlet. He says, "Come, Little Jew! You and I are going to FIGHT." When THE THIRD MAN says "Fight" he means "FIGHT" and he does not mean something else. He means fight with BLOOD AND IRON. He means to wage total and ruthless warfare against the Right-Left system which is the backbone of Jewish power. In the future YOU are not going to be on either the Right or the Left; trying to occupy either of these political positions will be like trying to live in a house which has burned to ashes, it just isn't there anymore and you can't live in it, no matter how much you may have admired it in former times. Just so, there will be no Right and Left wings in politics. There will be only the cold intellectual ashes where these positions used to be.

THE THIRD MAN who is neither Right nor Left is the political creature of the future. He will not wear Swastika armbands, because he is not a copycat; he is quite capable of inventing his own insignia; but he is a Nazi at heart nevertheless. The Nazi is Twentieth Century political man fully developed. The Jew is an obsolete Nineteenth Century creature who simply needs to be removed from the world scene. Nobody knows this better than the Jews themselves. Suicidalism is the collective outlook of the American Jewish community today. THE THIRD MAN will be glad to help the Jews commit suicide. He thinks that the world would be a better and cleaner place without them. Since they have become insanely self-destructive, why not let them go ahead and hang themselves? As they are now firmly in control of the destinies of our Republic, it may be that they will also carry the United States to destruction with them. They quite certainly will if they remain in power. Under Jewish rule, this Republic will not possibly last more than another twenty-five years, and perhaps not that long.

Do you want to survive? Then stop chasing futile pseudo-leaders like Welch, Buckley and Hargis. If you are going to survive, you must reach ESCAPE VELOCITY and get out of the Jewish Right-Left orbit completely. The Right Wing will never save you. The Right Wing leaders will never do anything except bray like jackasses, whirl like dervishes, and scream like banshees, and in the end sell themselves like street corner whores to the Jews, as most of them have already done. They say that they are "Fighting Communism" or that they are "Upholding God and Country." When we subject them to a critical analysis, we see that they are doing absolutely nothing to implement any kind of effective political program whatsoever. They merely SAY that they are doing something, when in fact they are doing nothing. The Right Wing is firmly in the grip of a DEATH WISH. Time and again, I have seen idealistic young Americans get into these phoney Right Wing movements, hoping to accomplish something solid and real. They learn quickly that the Lord High Nabobs of the Right quickly extinguish any spark of real intelligence or effectiveness which flares in their ranks. They see that the Right, far from actually fighting Communism, secretly collaborates with Communism.

Typical is the way in which the Right Wing gasbags dealt with Francis Parker Yockey. Yockey never had an American supporter during his lifetime. The great Conservative gasbags of the American Right Wing want nothing to do with any living writer. They weren't there when Yockey was murdered in a jail cell. Can you imagine Norman Mailer dying in jail? There would be a thousand Jews rattling the bars to

bail him out. The young Gentile writer dies alone in a cell.

We think that it is a wonderful thing indeed for Yockey's books to be circulated and read. He had something extremely important to say and the American people ought to hear it. What we really need is an American publishing industry which will give adequate recognition to the young Yockeys who are alive today!

Thus the New York Times Book Review Section can boast, "The novelists who have been Updike's major competition have effectively made interior Jews of a generation of Goy leaders." The Conservative publishers sat on their hands while stupid and corrupt Jewish hack writers Judaized the nation. When they published any books at all, they published trash about how nice it would be to return to the good old Nineteenth Century. Conservative publishing of the last twenty-five years is merely the tombstone of the old American culture; it contributes nothing to any aspect of life. We have looked to the American Right for bold, decisive leadership and have heard nothing but the braying of jackasses. The Right Wing sat on its hands while the Jews took over our literature, our culture, our economy, our government. Then they demand that we approach them worshipfully and praise the great battle which they claim to be fighting. They are fighting no battle. They could not fight their way out of a paper bag. We are told that they are "Fine Christian Gentlemen." Immediately we wonder how these "Fine Christian Gentlemen" will look as they go sailing through the stratosphere atop the great mushroom clouds of World War III, along with their Jewish friends. We hope indeed that St. Peter will open the gates of heaven for them, because they are clearly finished on earth.

THE THIRD MAN is the legitimate heir, the man of tomorrow. He has no use for the old Right-Left Age. He belongs to the age which is coming, not to the age which is passing away. He will refuse to be shoved into the Right-Left orbit. He has his own position, and, like smokers of Tareyton cigarettes, would rather fight than switch. If these quaint old Nineteenth Century relics of the Jewish Right and Left are looking for a fight, THE THIRD MAN is the man who will fight them, and lick them too. You aren't going to be on either the Right or the Left in the future, because the THIRD MAN will demolish these two positions in order to make room for his own new creation; this is the only thing the THIRD MAN cares about. The Right and the Left are obsolete relics of a dead age; the only problem is to demolish them and remove them from the historical scene. There can be no question of investing any sane hopes in them.

The issue is clearly defined in the last paragraph of Oswald Spengler's THE HOUR OF DECISION: "Here possibly in our own century, the ultimate decisions are waiting for their man. In presence of these the little aims and notions of our current politics sink to nothing. He whose sword compels victory, here will be lord of the world. The dice are there ready for this stupendous game. Who dares throw them?"

Yes, indeed, who dares to pick up the dice and throw them? Certainly not the Right Wing, and not the Left Wing, either. THE THIRD MAN is the man who will ACT, the man who will pick up the dice and throw them. Naturally he seems an utterly obscene creature to the sorry pack of dotards of the Right and the Left. He is going to ACT, he really is going to DO something! How utterly vulgar! Everyone who is a proper Rightist or Leftist knows that the first rule of the Right-Left game is never actually to DO anything, but always to stick to good, safe gasbaggery. THE THIRD MAN will destroy and displace this shiftless and futile rabble completely. The sooner the better.

No man escapes when freedom fails,
The best men rot in filthy jails,
And those who cried "Appease! Appease!"
Are hanged by those they tried to please.
— Author Unknown.

What kind of power-will can anti-Communists boast when their combined world-wide efforts for thirty years could not bring about release of one patriot, RUDOLPH HESS, true apostle of peace? A similar fate was met by Archbishop Stepinac and Cardinal Mindszenty while Catholics all over the world "turned the other cheek."

LEADERSHIP CONFERENCE

and the fear of the whites. Through the Justice Department under the direction of Roger Wilkins, nephew of Roy Wilkins, the whites were made to behave themselves as the Jews wrecked the social organization of the South; and at the same time in the Northern cities watch was kept over inner city blacks who refused to cooperate with these Jewish fronts or opposed Zionism and other Jewish interests.

These Zionist lobbies never did more than generalize about the plight of the poor blacks. Their main interest was not to build up the blacks who might become dangerous to Jew interests; but to wreck white society, which always posed the threat of becoming anti-semitic in certain circumstances. Although they lobbied hard for governmental agencies purporting to advance the cause of civil rights, such as the Civil Rights Commission, these agencies were always under their control. Thus the Staff Director of the Civil Rights Commission was a Jew, William Taylor, a member of B'nai B'rith. He supervised the professional and clerical staff, and had more influence than the Commission members. When Taylor retired, his place was taken by another Zionist, Glickstein.

While nine major Jewish organizations carry the burden of lobbying for Civil Rights, they are shielded by six important Negro Organizations, all fully controlled by the Jews and officered by black Zionists. They are, (1) The National Association for the Advancement of Colored Peoples, (2) the National Urban League, (3) the Southern Christian Leadership Conference, (4) the National Council of Negro Women, (5) the A. Philip Randolph Institute and (6) the Congress of Racial Equality. The Student Non-Violent Co-ordinating Committee was a member of the Jewish Lobby; but it broke free of the Jews over the persecution of Adam C. Powell, widely thought to be the result of Jewish intrigue. SNCC expressed its new freedom by attacking Israeli expansion into Africa in 1967. The other organizations and their leaders however enjoy the national endorsement of B'nai B'rith. These leaders are Roy Wilkins, Whitney (called "Whitey"), Young, M. L. King, Ralph Abernathy, Dorothy Height, James Farmer, A. Philip Randolph, and Bayard Rustin. They harass anti-Zionist whites, especially on Capitol Hill, who refuse to bend the knee to Israel demands. These people enjoy the attention of the mass media far out of proportion of their real importance and influence in the Negro Community; and for service to Zionism, they have been openly given awards and free trips to Israel.

Today the Leadership Conference on Civil Rights consists of 126 major organizations throughout the nation, all representing themselves as interested in desegregation and integration and in the war on poverty to make people "equal." But through these organizations the B'nai B'rith and the Jewish lobby penetrate effectively into the Churches, the Jewish dominated labor unions, Negro fraternities, medical associa-
